Safe Harbor Statement

These slides and the accompanying oral presentation contain forward-looking statements. All statements other than statements of historical fact contained in this presentation, including statements regarding the future financial position of Smith-Midland Corporation (“SMID” or the “Company”), including financial targets, business strategy, and plans and objectives for future operations, are forward-looking statements. SMID has based these forward-looking statements on its estimates and assumptions and its current expectations and projections about future events. These forward-looking statements are subject to a number of risks, uncertainties and assumptions, including those that may be described in greater detail in the Company’s publicly filed documents, including its Annual Report on Form 10-K for the fiscal year ended December 31, 2024. In light of these risks, uncertainties and assumptions, the forward-looking statements discussed in this presentation are inherently uncertain and may not occur, and actual results could differ materially and adversely from those anticipated or implied in the forward-looking statements. Accordingly, you should not rely upon forward-looking statements as predictions of future events. SMID undertakes no obligation to update publicly or revise any forward-looking statements for any reason after the date of this presentation, to conform these statements to actual results or to changes in SMID’s expectations.

This presentation may contain forward-looking statements about Smith-Midland Corporation within the meaning of the Securities Act of 1933, the Securities Exchange Act of 1934, the Private Securities Litigation Reform Act of 1995 and all rules and regulations issued there under. Such statements are based upon management’s current expectations, projections, estimates and assumptions. Words such as will, expect, believe, anticipate, think, outlook, hope and variations of such words and similar expressions identify such forward-looking

statements, including financial targets, business strategy, and plans and objectives for future operations.

Certain data in this presentation was obtained from various external sources, and neither the Company nor its affiliates, advisers, or representatives has verified such data with independent sources. Accordingly, neither the Company nor any of its affiliates, advisers, or representatives makes any representations as to the accuracy or completeness of that data or to update such data. Such data involves risks and uncertainties and is subject to change based on various factors.

Non-GAAP Financial Measures

To supplement its consolidated financial statements, which are prepared and presented in accordance with Generally Accepted Accounting Principles (GAAP) the Company uses EBITDA as a non-GAAP financial measure. The presentation of this financial information is not intended to be considered in isolation or as a substitute for, or superior to, the financial information prepared and presented in accordance with GAAP. The Company uses this non-GAAP financial measure for financial and operational decision making and to evaluate period-to-period comparisons. The Company believes that it provides useful information about operating results, enhances the overall understanding of past financial performance and future prospects, and allows for greater transparency with respect to key metrics used by management in its financial and operational decision making. The non-GAAP financial measure used by the Company in the presentation may be different from the methods used by other companies.
